### Release & Artist Info

Social issues are a handful, and we all have to take responsibility for our actions. This song by Magdalene Blue makes a statement to the world that we must wake up from our selfish slumber and address the harm that humanity is doing to itself from mishandled gun control.

More than 500 people die every day because of violence committed with firearms. Anyone can be affected by firearm violence but in certain situations gun violence disproportionately impacts communities of color, women and other marginalized groups in society. War in any form is not the answer.

## What people are saying;

*It's honest and honest is good.*

**- Jacob Maas**

*I just listened to How Many More. I love the arrangement. It's very different from your original. It brought tears to my eyes. Brava Brava!!!!*

**-Dave Sinberg**

*The song has a very atmospheric sound, which shows your idea of doing something different. Your voice sounds like a lot of soul in it. It's a song musically charming but at the same time depressing. Also the lyrics, which I find very fatalistic. But who's not fatalistic today with everything that the whole of humanity has had to put up with in these last years?*

**-Roberto Carlos**

*Yesterday I was listening to your latest work and I think it's magnificent. And the recording is extraordinary, I congratulate you. I loved it.*

**-Alejandro Céspedes**

*The black and white music video is very shocking, it's very intense, it gives me goosebumps. Once you start listening to the song I can't stop listening to it.*

**-Ana Belen Vitón**

*Very, very good Mary!!! The tears that ran down my cheeks. I'm listening to you right now with Arancha Nieto. You are so big !!!*

**-Patricia Garcia Lopez**

*Wow! I take my hat off, Excited, crying, I've seen it twice. The first, just observing my sensations in the body, before the images and your voice, My field vibrated with your voice. An indescribable force and resonance, the entrance and the amazing ending, I don't know how to describe it, it's like the world stops. Your voice and the passion you transmit, super!!*

**-Anina Valbuena**

*I loved it. It made me cry.*

**-Ernestina Chico**

*It's so cool! I loved you in it.*

**Isabel Gil**

*I think it's beautiful. I love your voice!!!*

**Mariví García**

*In light of the shootings in the US the past 10 days, and especially today at an elementary school, your message is needed. How do we make it go viral? I'm here to help. Even though tonight I am hurting and feel totally helpless. I love you!*

**-Mary Weltzien Maas**

*Your song brings me hope and belief that change will come.*

**-Marni Poquette**

*Your song brings me courage, it brings me hope.*
