Release & Artist Info

Red Neck Queen is the second single release from the up coming album from Rick Thomas. Rick Thomas is a highly skilled prolific artist. Rick is multi talented, he plays the drums, lead and rhythm guitar, bass and he has an incredible voice. Red Neck Queen, is a country favorite, a feel good song that works well for the Country line dance floor.

The energy in the songs is great for partner dancing and simply rocking out to a groove. The track is another blue collar, pure country, after work song.
